**INNOVATION AND ENTREPRENEURSHIP DEVELOPMENT CENTRE
FATIMA MATA NATIONAL COLLEGE (AUTONOMOUS) KOLLAM
IEDC FMNC ACTIVITY REPORT 2024-2025**

Kerala Startup Mission has set up IEDC's in higher educational institutions across the State which provide avenues for creative students to learn, collaborate and transform their innovative ideas into prototypes of viable products and services. IEDC's works as the first launch pad for a student's entrepreneurial journey and provide them with access to cutting edge technology, world-class infrastructure, high-quality mentorship, early risk capital and global exposure. Innovation and Entrepreneurship Development Centre (IEDC) is a flagship initiative of Kerala Startup Mission to promote innovation and entrepreneurship among the student and academic fraternity in the educational institutions in the State of Kerala and considered as an umbrella programme that would play an instrumental role in fostering innovation culture in Academic institutions.

IEDC was sanctioned in Fatima Mata National College, Kollam in the year January 2023, vide Order Number KSUM/613/2020 dated 06.01.2023. At FMNC's IEDC, we are dedicated to cultivating a culture of innovation and entrepreneurship within our academic community. Our mission is to empower students, faculty, and aspiring entrepreneurs with the tools, knowledge, and resources they need to turn their ideas into reality and drive positive change in the society.

- **IEDC KOLLAM CLUSTER MEET UP**

The Innovation and Entrepreneurship Development Centre (IEDC) of Fatima Mata National College, Kollam, successfully organized the IEDC Kollam Cluster Meet Up on Wednesday, 4th September 2024. The event was held at Bishop Stanley Roman Hall and commenced at 9:30 AM, bringing together a dynamic group of student leads and nodal officers from various colleges in Kollam. The event opened with a warm Welcome Address by Dr. Smitha George, IEDC Nodal Officer, setting the tone for a productive and engaging session. The Presidential Address was delivered by Dr. Cynthia Catherine Michael, Principal of Fatima Mata National College, highlighting the importance of entrepreneurial initiatives in fostering innovation among students. The event was officially inaugurated by Mr. Noushad, MLA of Kollam (Eravipuram Constituency), who

inspired the participants with his Inaugural Address. His speech emphasized the growing opportunities in entrepreneurship and the need for collaboration between institutions to encourage student startups. The Benedictory Address was given by Sr. Juliet Jose, Head of the Department of English (Self-Financing), and was followed by Felicitations from Dr. Biju Mathew, Vice Principal, who praised the efforts of IEDC in nurturing entrepreneurial talent in the region. The meet-up was attended by 55 students and 25 teachers, creating a collaborative platform for sharing ideas and discussing future prospects in entrepreneurship. The event concluded at 4:00 PM, following a Vote of Thanks by Mr. Bergin S Russell, Head of IEDC Kerala Startup Mission, who expressed gratitude to all the dignitaries, participants, and organizers for making the event a success. The IEDC Kollam Cluster Meet Up was a significant initiative that provided valuable insights and fostered networking opportunities for the students and teachers involved, encouraging a future of innovation and entrepreneurship in the region.

- **CAYRAA PRODUCT LAUNCH**

Soofiya Rafeek was the BSc Psychology student of the college, suggested the name CAYRAA for products hand wash, dish wash, soap, saree shampo and fabric conditioner (UDYAM-KL-06-0042728). Exhibition and sale of products was arranged on 11th September as part of Onam celebrations of the college.

- **PARTICIPATION IN BOOT CAMP**

IEDC FMNC members Mukthar, Aleena, Nimra and Dantise were participated in the five days Innovation Design and Entrepreneurship (IDE) bootcamp of MoEs hosted by Amal Jyothi College of Engineering from 23rd to 27th september 2024.

- **PARTICIPATION IN IEDC SUMMIT**

Six student members of IEDC FMNC, Sandra, karthikeyan, Rahul, Soorya, Derrin, Amarnath and the nodal officer Dr. Smitha George were participated in the IEDC summit 2024 at NIT Calicut on 19th October 2024. Nodal officer Dr. Smitha also attended nodal officers meetup on 18th october 2024.

- **NASA SPACE APP CHALLENGE ORIENTATION**

The NASA Space Apps Challenge brought together innovators and problem-solvers to develop creative solutions using NASA's open data. Our team participated in this global hackathon, tackling challenges related to space exploration, Earth observation, and STEM education. As part of NASA International Space App Challenge hosted by Amal Jyothi College of Engineering, three students of Amal Jyothi college visited our IEDC on 26/09/2024 and gave an orientation of NASA SPACE APP CHALLENGE program to our students. The class held at Catalani campus auditorium of the college. Three of our students, Karthikeyan, Sandra and Soorya were participated and completed the program. The NASA Space Apps Challenge provided a platform for our team to develop innovative solutions and learn from others. We are proud to have participated in this global event and look forward to future opportunities.

CREATING A HOPETILLED FUTURE

The AICUF in collaboration with IEDC, ED CLUB & WOMENS CLUB organized a program titled "*Passion to Profit*" on 11th November 2024, from 7.00PM to 8.00PM via online mode. The "*Passion to Profit*" entrepreneur talk featured a keynote speaker, Raeesa Manaal, a successful artist entrepreneur and founder Beautiful Oops. A total of 50 students from different department were participated in the event. The event aimed to provide valuable insights and practical advice on turning passions into sustainable businesses. The event

demonstrated the importance of turning passions into profitable ventures and offered practical advice on navigating the entrepreneurial journey. The speaker emphasized the importance of identifying one's passions and aligning them with business ideas. The speaker stressed the need to validate business ideas through market research and feedback. The importance of surrounding oneself with a skilled and dedicated team was highlighted. The speaker shared personal experiences of overcoming failures and adapting to changing market conditions.

- **RESEARCH TO COMMERCIALIZATION**

The Innovation and Entrepreneurship Development Centre (IEDC) of Fatima Mata National College, Kollam, in collaboration with the ED Club, organized an enlightening seminar titled *"Research to Commercialization"* on 13th November 2024. The session was led by Dr. Deepu Krishnan P R, Assistant Manager of the Research Innovation Network Kerala, Kerala Startup Mission. With extensive expertise in research and innovation, Dr. Krishnan shared valuable insights on *"Research Preneurship,"* emphasizing the potential of transforming research findings into commercially viable products and services. The seminar targeted faculty members, research scholars, and postgraduate students, aiming to foster an entrepreneurial mindset among researchers. Dr. Krishnan highlighted key aspects of bridging the gap between academia and industry, including strategies for identifying market needs, securing funding, and scaling innovative ideas into successful ventures. The event was attended by 60 students and 2 faculty members, who actively participated in the discussions. The session provided practical guidance and motivated attendees to explore entrepreneurial pathways while contributing to societal development through innovation. The program concluded with a Q&A session, where participants sought clarity on challenges in commercialization and shared their perspectives on research-based entrepreneurship. The seminar was highly appreciated for its relevance, depth, and practical value, leaving participants inspired to contribute to the research and innovation ecosystem.

- **INVITED TALK**

The Innovation and Entrepreneurship Development Centre (IEDC) of Fatima Mata National College (FMNC), in collaboration with IIC and ED Club, organized an enlightening session as part of scientific research and innovation series on Monday, December 2, 2024, from 1:00 pm to 3:00 pm at the Bishop Stanley Roman Hall. The programme aimed to foster innovation through research among the students of FMNC.

Ms. Aardra, student lead of IEDC welcomed the gathering. Dr. Biju Mathew, vice principal of the college presided over the function and expressed his opinion of the need of innovative ideas and start ups in today's world. The academic coordinator, Prof. Manohar D Mullassery gave the felicitation to the resource persons for their contributions in science.

The session was graced by two distinguished resource persons:

1. Dr. Balwinder Kaur, Assistant Professor in the Department of Chemistry at Punjab Engineering College (Deemed to be University), Chandigarh. She delivered an insightful talk on "Innovative methods based on porous modified electrodes for the detection of analytes of priority."
2. Dr. Anu Prathap M. V., Associate Professor at the University Centre of Research and Development, Chandigarh University, Mohali. He presented on "A revisit of porous nano-materials-based thin film electrodes for energy storage, generation, and sensor applications."

The programme attracted an enthusiastic audience, including eighty five students and three faculty members from the college. Both sessions offered valuable insights into cutting-edge research and practical applications of nanomaterials, porous modified electrodes, innovative technologies, sparking intellectual curiosity and discussions among the participants. The event concluded with a vote of thanks by Dr. Smitha George, Nodal officer of IEDC, on a high

note, leaving attendees inspired to explore innovative solutions and entrepreneurial opportunities in their respective fields.

- **HONORING THE ALUMNI ENTREPRENEUR**

The 1985-1988 Batch Chemistry Alumni, in collaboration with the Former Students Association (FSA) and the Entrepreneurship Development Club (ED), organized a program titled "*Honoring the Alumni Entrepreneur*" on Wednesday, 4th December 2024, at Bishop Stanley Roman Hall. The event commenced at 1:45 pm under the presidency of Dr. Cynthia Catherine Michael, Principal of Fatima Mata National College. Dr. Smitha George, Assistant Professor of the Department of Chemistry, welcomed the gathering with her opening address, setting the tone for the celebration. Dr. Saju member of FSA extended a warm welcome to Mr. Mohan, presenting him with a bouquet of flowers as a gesture of respect and appreciation. The benedictory address was delivered by Rev. Dr. Abhilash Gregory, Manager of the college, who lauded the entrepreneurial accomplishments of the alumni and their contributions to the institution's legacy. The General Manager of the District Industries Centre (DIC), Mr. K. S. Sivakumar took the stage to felicitate Mr. Mohan, expressing appreciation for his achievements. The General Manager emphasized the importance of collaboration between the institution, the DIC, and the alumni entrepreneurs to create a thriving startup ecosystem in the region.

Dr. Saju, Mr Edwin, Mr. Jose, Prof James Joseph representatives of FSA presented memento to Mr Mohan, honoring his achievements and milestones, and expressing gratitude for his contributions to the society. Mr. Mohan was felicitated with a traditional Indian shawl, a symbol of respect and honor, by Dr. Smitha, ED club coordinator along with Mr. K.S Sivakumar. The program's highlight was an inspiring keynote address by the chief guest, Mr. Mohan V Mathew, Co-Founder of MikroGrafeio, a startup recognized by Forbes India in 2024. He shared insights from his entrepreneurial journey, offering valuable lessons and motivation to the attendees. The certificates were also presented to 4 students of IEDC 2023-24 batch who had demonstrated outstanding leadership

skills, including initiative and teamwork in Entrepreneurship club activities. The event saw active participation from 125 students and 7 faculty members, who were deeply engaged throughout the session. The program concluded at 3:00 pm, leaving the participants inspired by the success and achievements of the college's distinguished alumnus. This initiative reflected the institution's commitment to celebrating alumni achievements and fostering entrepreneurial aspirations among its students.

- **PARTICIPATION IN FDP**

- **NATIONAL STARTUP DAY- DESIGNATHON**

To encourage student teams to develop innovative solutions for real-world problems and promote entrepreneurship as part of National Start-up Day celebrations, IEDC FMNC conducted Designathon for IEDC FMNC students. Designathon was a 3-hour event where student teams from various disciplines came together to design, develop, and pitch innovative solutions. Five problem statements were released, focusing on sustainable living and environmental conservation. Teams had 3 hours time to design a solution to the selected problem. Teams then presented their solutions to a panel of judges, who evaluated and provided feedback. Four teams were present for the competition.

Group 1: Athullya Venu, Haripriya M, Abhirami R

Group 2: Sandra Saji, Karthikeyan R S, Anandhu Aravind

Group 3: Soorya, Krishnaveni

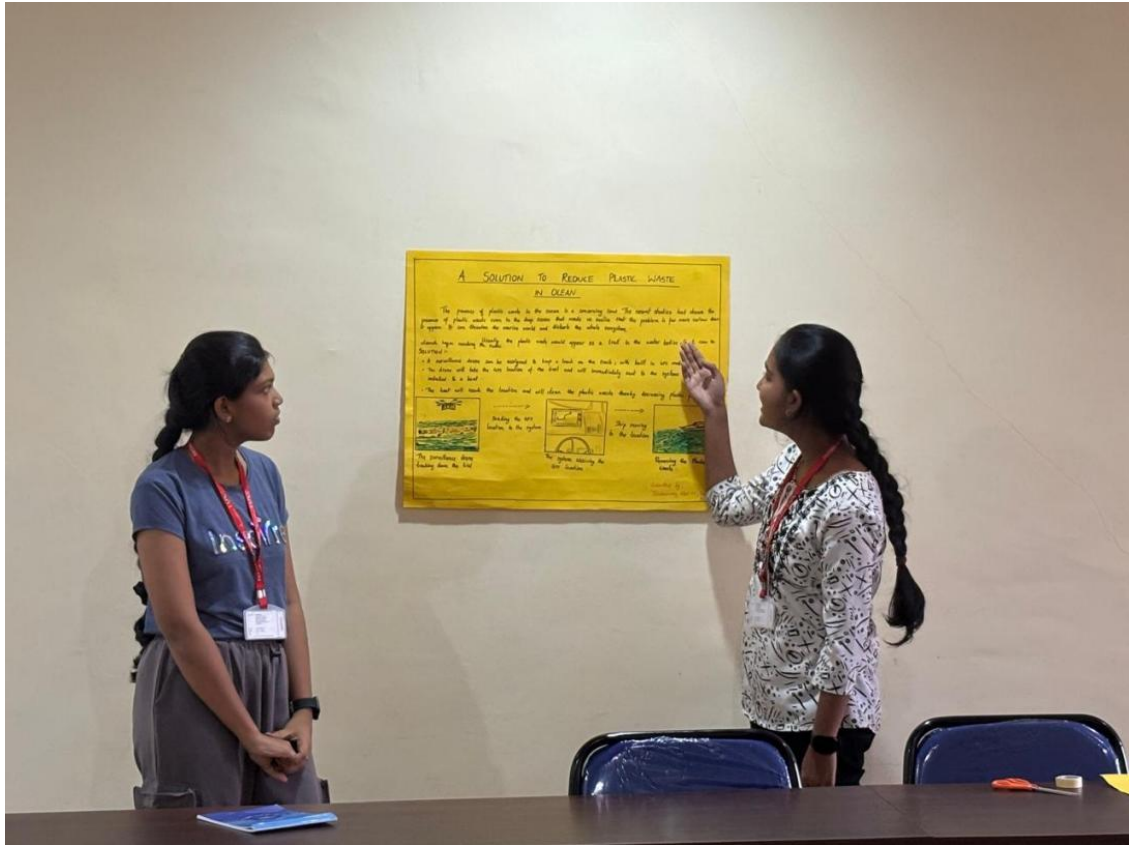

Group 4: Shahina, Gourilekshmi

Winning Teams and Solutions

1. First Prize: Team " Plastic cracker from ocean"
2. Second Prize: Team " A solution to reduce carbon emission"
3. Third Prize Team: “ A solution to reduce plastic waste in ocean”

- **PROBLEM VALIDATION & SOLUTION**

The Innovation and Entrepreneurship Development Cell (IEDC) of Fatima Mata National College, Kollam, organized a session titled "Problem Validation & Solution" on 31st January 2025 (Friday) at Bishop Stanley Roman Hall from 1:00 PM to 3:00 PM. The session aimed to provide students with practical insights into problem-solving, an essential aspect of innovation and entrepreneurship. The event was presided over by Dr. Smitha George, the Nodal officer, IEDC FMNC, keynote address was delivered by Mr. Pramod S, Founder and CEO of Cortex N Grey Technologies Pvt. Ltd. Mr. Pramod, a startup enthusiast, shared his experience in problem validation and offered valuable advice on how to assess and address real-world problems with innovative solutions.

His session highlighted key aspects of entrepreneurship, including identifying problems, validating them through research, and creating effective solutions. The program attracted 100 student participants and 1 faculty member, all of whom actively engaged in the interactive session. The event was designed to inspire students to think critically and innovatively while focusing on practical aspects of entrepreneurship. Through the expert insights shared by Mr. Pramod, the students gained an understanding of the initial stages of entrepreneurship, from problem identification to finding viable solutions. The session ended with a vote of thanks by Mr Tinu Tomy Netto, Student co-lead and a sense of motivation among the students to pursue innovative solutions in their respective fields. This initiative by IEDC proved to be an enriching experience for the students, providing them with a strong foundation for future entrepreneurial endeavors.

- **NATIONAL SCIENCE DAY**

The event aimed to promote scientific awareness, curiosity, and innovation among students. Students participated in interactive experiments and demonstrations, exploring scientific concepts in a fun and engaging way. On that day students engaged in scientific discussions leading to make soaps, hand wash and other related products. The program was helped to promote scientific knowledge in arts subject based students.

The poster features a white background with a large, stylized graphic on the right side consisting of diagonal stripes in yellow and maroon. On the left, there is an illustration of a male student in a lab coat and apron, holding a flask with red liquid and another with green liquid, next to a microscope and a flask with purple liquid. The text is arranged in a clear, hierarchical manner, with the college name at the top, followed by the event title, the theme, and the date and venue in a dark maroon circle. Logos for the Kerala Startup Mission, IEDC, and the Institution's Innovation Council are at the bottom.

- **INTERNATIONAL WOMENS DAY- DEBATE COMPETITION**

To commemorate International Women's Day, IEDC FMNC in association with IIC, Kerala Startup Mission and Election Commission of India, organized a debate competition on the theme "Women's voice in Democracy" on 5/3/2025. The event aimed to promote critical thinking, public speaking, and awareness about women's rights and empowerment. Three teams of two students each participated in the competition, representing different departments. Teams presented their arguments for or against the topic, with each team member speaking for 3-4 minutes. The competition saw enthusiastic participation from students, with all teams presenting strong arguments and counter-arguments. The winning team was awarded a cash prize and certificates in a later event.
